

KODA®

The power of precision, lightness of form

KODA introduces a fresh look at modern roof coverings, standing out from standard flat roof tiles. Its balanced, slightly dynamic shape creates a subtle play of light and shade, giving the building a characteristic lightness and elegance. KODA is a choice for those looking for originality while maintaining a refined taste, combined with the durability of ceramics.

Dimensions: 304 x 503 mm

Consumption: from 8,9 pcs./m²

Weight: 4,6 kg/pcs.

Original shape

A modern alternative to flat roof tiles

Economical format
