

NOMINA

The elegant and flexible reform tile

NOMINA tiles can be used to create a roof with a slightly structured and regular coverage pattern. Thanks to its large format, it is an economical solution, which, combined with the exceptionally large 60 mm displacement range, allows for extremely flexible use.

Dimensions: 323 x 500 mm

Consumption: from 8.2 pcs/m²

Weight: 5.1 kg/pcs.

Timeless elegance

Inspired by the historic Ludowici roof tile

Labyrinth locks

Effective barrier against water ingress

Outstanding flexibility

65 mm movement range gives a huge flexibility

Economical solution

Reduced material consumption reduces costs

Comprehensive range of accessories

Aesthetic and durable roof finish

Up to 50-year warranty

One of the longest warranties on the market
