

HORTOBÁGY

Unique interlocking plain tile

HORTOBÁGY combines the historical shape of the beaver tile in XL format with advanced technical solutions typical of interlocking tiles. The characteristic wavy surface creates a dynamic, expressive structure on the roof. HORTOBÁGY is the ideal solution for those looking to combine the classic beauty of beaver tile with the practicality of modern roofing solutions.

Dimensions: 205 x 400 x 21 mm
Consumption: from 18.2 pcs./m²
Weight: 2.5 kg/pcs.

Timeless charm
