

# CASTA HEXAGONAL CUT

Inspired by the design of Swiss roofs

CASTA is a beaver tile inspired by the traditional design of Swiss roofs. Its unique surface with characteristic 7 waves introduces a ceramic roof covering with a fascinating texture to European architecture. The hexagonal (honeycomb) shape offers timeless elegance and an unique appearance. The color range inspired by nature - natural and dark brown shades - harmoniously fits into any environment.

Dimensions: 170 x 380 x 18 mm  
Consumption: from 35.7 pcs./m<sup>2</sup>  
Weight: 2.1 kg/pcs.

## Authentic design
