

KAPSTADT®

Perfect for a modern roof

The KAPSTADT roof tile stands out with its fashionable, modern shape. The ideally flat form fits into the prevailing architectural trends. It provides tight roof coverage without clear dividing lines, creating a smooth and uniform texture. KAPSTADT is an excellent choice for supporters of minimalist design. Thanks to numerous construction solutions, it is characterized by high durability.

Dimensions: 334 x 420 mm

Consumption: from 9.7 pcs/m²

Weight: 4.9 kg/pcs.

Perfectly flat shape

Ideal for modern architecture

Aesthetic finish
